

Bhutan Cancer Society
P. O Box 169
House No 8, Apt. 202 Changlam
Thimphu, Bhutan

Dear Friends and Supporters,

Giving today means giving back to your community. The lives of many families in Bhutan have been touched by cancer – there are stories to tell and experiences to share of survival, loss and ultimate fight against cancer. Today, we are happy to introduce **Bhutan Cancer Society (BCS)** a Public Benefit Organization (PBO) registered under the Civil Society Organizations Authority (CSOA/PBO-37) working for the benefit of cancer patient, caregiver and general public in Bhutan.

According to World Health Organization, cancer is a leading cause of death around the world and accounts for approximately 8.2 million deaths (22% of all Non-Communicable Disease deaths). In Bhutan, 8 % of all Non-communicable Disease deaths are caused by cancer. Cancers affect not only individual but also the entire family and community. Therefore, BCS with its specified objectives is here to complement the effort of Ministry of Health to promote ***cancer prevention, care and support through Education, Advocacy and Research.***

We humbly like to present the **consent, membership form and fee packages** for the BCS. Kindly note that any donation made to BCS is tax exempted: **Ref. no. DRC/TAX-A&L/EX/18A/2015/4868 (E102).** You can also directly deposit to our **BOB account: 20700220795870042** or make cheque payable to **Bhutan Cancer Society**. Your support is highly appreciated.

Bhutan Cancer Society as an organization upholds the highest standards of accountability and transparency. All donation made to BCS will be documented and shared in our annual report to the CSOA and our supporters in and outside the country. If you require any further information, please do not hesitate to contact us @ bhutancancer15@gmail.com

Best Wishes!!!

Bhutan Cancer Society
